Education with the Ninja Turtle Coders

Keep Houston Beautiful hosted an event at Westwood ES in Spring Branch ISD in which students used the concept of algorithms in computer science to plant flower seeds, grow virtual flowers, and recycle garbage. In addition, they learned how to code flowers in [Code.org](#).

[Learn more about the event here](#)

Upcoming Event: Keep 5 Alive

Date: Saturday, July 9, 2016

Organization: Fifth Ward Civic Club

Location: Corner of Market St. and Lockwood Dr.

Starting time: 9 am - 11 am

Meet Our New Interns

Maricela Saramillo

Marketing

Maricela is a student at the University of Houston studying integrated communication. She's very excited to be a part of the amazing team here because she believes Keep Houston Beautiful is a great organization to work for and to learn about the responsibilities in making the city beautiful. At KHB, Maricela's main project is analyzing statistical data in order to help create the organization's annual report.

Jenny Chen

Marketing and Social Media

Jenny is a sophomore at Rice University studying economics and business. Throughout primary and secondary school, she was actively engaged in environmental clubs and participated in neighborhood cleanups, Earth Day festivals, recycling campaigns, and tree planting. She's dedicated towards the beautification cause and aspires to help preserve the environment. At KHB, Jenny assists with the production of newsletters, maintenance of the website and social media, and creation of graphics for promotional materials.
