

April 4, 2019

KHB DAY Has Been Postponed

It is with great disappointment we announce that this Saturday's KHB Day has been postponed due to the severe inclement weather forecast. After month's of preparation and excitement galore for our 20 teams, 26 project sites and hundreds of volunteers, we made this decision on behalf of the most important concern for this event: the safety and well being of our volunteers. We are very happy to have a rescheduled date of Saturday, May 4, 2019 .

We will reach out to currently registered teams to secure supply and tool requests for the new date for KHB DAY.

This change in plans brings about the opportunity to continue having volunteers register for your teams.

Volunteers may do so by using the **VOLUNTEER HERE** button.

The new deadline for Volunteer Registration is

FRIDAY, APRIL 26, 2019.

(ALL Volunteers MUST complete an online volunteer application to participate in KHB DAY .

This is for adults and youth. Each team leader will be provided with a roster of their registered team members prior to the event. We will not be providing paper registrations this year.)

Another exciting opportunity for the postponement is that we can add some last minute project sites and teams who missed the original deadline.

Simply click on the **REGISTER HERE** button to register your team, project and location, and to request your supplies/tools all in one place!
****Tools and supplies are provided on a first requested/first served basis and at the discretion of KHB Staff.*

The deadline to register teams/locations is WEDNESDAY, APRIL 24, 2019 .

Individuals may register and be placed on a team. The deadline to register as an individual participant is Friday, April 26, 2019.

****Please note that if you are planning on participating in District K Day, that clean-up event is still on for this Saturday. It will not be in conjunction with KHB Day. All inquiries for District K day should be directed to Council Member Martha Castex-Tatum's office.*
